WORK EXPERIENCE

Arrastur Innovations

JAN - JULY 2025

Web Developer (Intern)

- I completed a 6-month web development internship at Arrastur Innovations, where I gained hands-on experience with full-stack technologies. I collaborated with a professional team on live projects, applying my technical knowledge in real-world scenarios. This experience strengthened my skills in HTML, CSS, and JavaScript.

ACADEMIC PROJECTS

AI Desktop Assistant — Feb 2024 - May 2024

- I developed a voice-controlled AI desktop assistant capable of understanding user commands and performing various tasks efficiently. By leveraging Artificial Intelligence, the assistant streamlined desktop interactions, making everyday computing more intuitive and hands-free.

Smart Obstacle-Detecting Stick for Visually Impaired — Aug 2024 - Nov 2024

- I designed a smart assistive stick aimed at enhancing the mobility and safety of visually impaired individuals. The device integrates sensors and audio feedback to provide real-time obstacle detection, helping users navigate their surroundings with greater confidence and independence.
